STANDARDS: PROPOSED 35 ILL. ADM.)	(Rulemaking – Air)
CODE 242)	

HEARING OFFICER ORDER

On January 29, 2025, a prehearing conference was held for this proposed rulemaking to discuss procedural and scheduling issues relating to the upcoming hearing to be held on March 10, 11, and 12, 2025.

Witness Schedule

Counsel for the participants indicated that some witnesses had scheduling requests, to which no objections were raised. Witnesses will be able to testify at either the Springfield or Chicago location for this hearing.

A tentative schedule – subject to change – of the witness testimony is as follows:

Monday, March 10, 2025

- Steven Douglas, Lawrence Doll, Mike Stieren, Matthew Hart, Matt Wells

Tuesday, March 11, 2025

- Mary Tyler

Wednesday, March 12, 2025

- Continuation of witness testimony as needed

Pre-Filed Questions

Due to the Presidents' Day Holiday on February 17, 2025, the deadline for filing written questions to the witnesses will be pushed back one day. Pre-filed questions are now due on February 18, 2025.

Public Comment

On March 10, 2025, from 1 p.m. to 2 p.m., an hour will be set aside for in-person public comment during the hearing. On March 11, 2025, from 4 p.m. to 6 p.m., two hours will be set aside for virtual public comment via Webex. Members of the public who wish to comment in-person in Springfield on March 10 will be able to sign up at the hearing on a first-come, first-served basis. Those who wish to comment on-line will need to request a time slot by emailing vanessa.horton@illinois.gov. The deadline for requesting a time slot is March 3, 2025, at 5 p.m.

A schedule of virtual public comments will be set on March 5, 2025 via hearing officer order. Participants indicated they anticipate a large number of public comments, so the hearing officer will cap each comment at two or three minutes per comment, depending on the number of commenters.

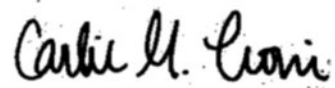

Please note that the Board weighs oral and written public comment equally. Members of the public are encouraged to submit written comments. The Board will continue to accept written comments through the post-hearing written comment deadline, which will be set at a later date.
