This is Dave owner of Williams Trucking , Emissions Emissions, Emissions !! We have diesel engines the fuel that we burn is like Wessiin cooking oil hardly any certain , got to add adduce to fuel all year around! The ERG valve and coolers have soot because our engines can't breathe now the suits wants to put more regulations on emissions!! Anymore regulations will put me out to the pasture!! Already looking to get away from this state but afraid the big bad wolves would follow !! Don't know what to say Don but we need your voice in Springfield!!
