HEARING OFFICER ORDER

On March 6, 2025, all parties participated in a telephonic status call. The respondent is going to forward to complainant an illustration of the insulation/tarp that may solve the noise issue between the properties. Complainant stated she may be open to the noise mitigation idea if it “does not hang over her fence and it is not ugly”. Both parties reported that additional discovery will need to be completed prior to a hearing.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 27, 2025, at 11:00 a.m. The telephonic status conference must be initiated by the complainant by calling the number below, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
