Dear Don Brown,

Please docket this email as a public comment for R2024-017 in the Matter of Proposed Clean Car and Truck Standards: Proposed Section 35 III. Admin Code 242.

Thank you for receiving my public comment. I am an Illinois resident and live in Edwardsville, 62025. I support the Illinois Pollution Control Board adopting the Proposed Clean Car and Truck Standards!

These standards are important because I have allergies and my granddaughter has asthma and we need clean ari.  
Thank you for your time,

Barbara Stanford
