Dear Don Brown,

Please docket this email as a public comment for R2024-017 in the Matter of Proposed Clean Car and Truck Standards: Proposed Section 35 III. Admin Code 242.

Thank you for receiving my public comment. I am an Illinois resident and live in Granite City, IL. I support the Illinois Pollution Control Board adopting the Proposed Clean Car and Truck Standards!

These standards are important because I have asthma and my husband has early COPD. With the mills somewhat functioning in Granite City, which we need, traffic fumes need to be cut.

Thank you for your time,

Karla Frost
