HEARING OFFICER ORDER

On March 27, 2025, all parties participated in a telephonic status call. After complainant orally stated that respondent may proceed with the installation of respondent's anticipated noise mitigation fence, respondent stated that it will be installed by the next status conference, weather permitting. Complainant stated that "it should have been installed 30 days ago".

Should the fence not work, both parties reported that additional discovery will need to be completed prior to a hearing. Complainant anticipates 3 witnesses.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 17, 2025, at 10:00 a.m. The telephonic status conference must be initiated by the complainant by calling the number below, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
