ORDER OF THE BOARD (by C.A. Manning):

This matter is before the Board on a motion filed by the Illinois Attorney General on behalf of the Illinois Environmental Protection Agency (Agency) for an extension of time to respond to complainants' petition for reconsideration and amendment of order and complainants' motion to amend the petition for reconsideration and amendment of order. Complainants filed their petition for reconsideration and amendment of order on September 4, 1996 and complainants filed an amendment to their petition on September 16, 1996.

The Agency requests additional time to review the amended petition in that it raises new issues not previously addressed in the originally filed petition. The Agency states that it will respond to all issues in one document filed on September 30, 1996. The Board hereby grants the Agency's motion to extend time to respond to complainants' petition for reconsideration and amendment of order until September 30, 1996.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the ____ day of _____, 1996, by a vote of _____.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
