Caution: This email originated from outside of American Coatings Association. Exercise care before clicking on links, opening and downloading attachments. When in doubt, contact IT Department.

Hi Ms. Chang, while your pre-filed testimony was mentioned, it is our understanding that you will be presenting it on May 20th. To clarify that I have amended our docket to reflect that as it is noted in your original filing. Time will be allotted for your in-person testimony. Your advance filing hopefully has given the Agency as well as other parties, time to properly respond to your testimony on May 20th. Please submit your written comment to me via email. The IPCB looks forward to your participation on May 20th. Please feel free to reach out for further assistance.

Subject: [External] Another question on the hearing for R25-022 - Standards for Universal Waste Management

Hi Don,

Happy Friday. I hope you are doing well.

After reviewing the transcript from the hearing on April 16, I just wanted to reach out to you to let you that that myself and Heidi are planning to attend the hearing on May 20. I am very grateful that a couple of weeks ago you accepted my written testimony, and I did not realize it was for the April 16 hearing. Can the testimony I sent a couple of weeks ago also be applied for the May 20 hearing or do I need to do anything else?

I also wanted to let you know that we will also be sending in a written comment letter next week, and

I just wanted to confirm that I can send the letter to you?

I truly appreciate your help and hope you have a great weekend.

Thank you,

Suzanne Chang ■ American Coatings Association ■ Government Affairs
