ORDER OF THE BOARD (by M. Gibson):

On May 15, 2025, the Illinois Environmental Protection Agency (Agency) filed a recommendation that the Board certify specified livestock waste management facilities of Gatlynn Farm as “pollution control facilities” for preferential tax treatment under the Property Tax Code. *See* 35 ILCS 200/11-5 *et seq.* (2022); 35 Ill. Adm. Code 125. Gatlynn Farm’s “cattle/dairy livestock facility” is located at 1757 North 2400th Avenue in Mendon, Adams County. In this order, the Board describes the legal framework for tax certifications, discusses the Agency’s recommendation, and certifies that Gatlynn Farm’s identified livestock waste management facilities are pollution control facilities.

LEGAL FRAMEWORK

Under the Property Tax Code, “[i]t is the policy of this State that pollution control facilities should be valued, at 33 1/3% of the fair cash value of their economic productivity to their owners.” 35 ILCS 200/11-5 (2022); *see also* 35 Ill. Adm. Code 125.200(a)(2). “For tax purposes, pollution control facilities shall be certified as such by the Pollution Control Board and shall be assessed by the Department [of Revenue].” 35 ILCS 200/11-20 (2022); *see also* 35 Ill. Adm. Code 125.200(a). Under the statute, the Board determines if the facilities are pollution control facilities; however, the Board is not authorized to assess a value of those facilities.

Under Section 125.202 of the Board’s procedural rules, a person may submit an application for tax certification to the Agency. *See* 35 Ill. Adm. Code 125.202. If the Agency receives a tax certification application, the Agency must file with the Board a recommendation on the application, unless the applicant withdraws the application. *See* 35 Ill. Adm. Code 125.204(a). Among other things, the Agency’s filing must recommend that the Board issue or deny tax certification. *See* 35 Ill. Adm. Code 125.204(a)(4). If the Board finds “that the claimed facility or relevant portion thereof is a pollution control facility . . . , the Pollution Control Board . . . shall enter a finding and issue a certificate to that effect.” 35 ILCS 200/11-25 (2022); *see also* 35 Ill. Adm. Code 125.216(a).

AGENCY RECOMMENDATION

The Agency states that it received a tax certification application from Gatlynn Farm on July 27, 2023.¹ Rec. at 1. On May 15, 2025, the Agency filed a recommendation with the Board, attaching Gatlynn Farm's application (Rec. Exh. A). The Agency's recommendation identifies the facilities at issue:

One (1) concrete manure storage area measuring 90.33 ft. (length) x 36.67 ft. (width) x 6 ft. (depth), one (1) concrete manure scrape alley measuring 245 ft. (length) x 12 ft. (width) x 5 in. (depth), two (2) concrete manure bedpack areas each measuring 76 ft. (length) x 36.67 ft. (width) x 4 ft. (depth), one (1) reinforced concrete curb measuring 245 ft. (length) x 18 in. (width) x 6 in. (depth), and two (2) reinforced roll curbs measuring 12 ft. (length) x 18 in. (width) x 6 in. (depth), and the portion of the building over the manure stack area, bedpack areas, and scrape alley. *Id.*

The Agency further describes the facilities: "these livestock waste management facilities are used to collect, transport, and/or store livestock waste prior to cropland application." *Id.*

The Agency recommends that the Board certify that the livestock waste management facilities are pollution control facilities as defined in Section 11-10 of the Property Tax Code (35 ILCS 200/11-10 (2022)) with the "primary purpose of eliminating, preventing, or reducing water pollution". Rec. at 2; *see also* Rec., Agency Memorandum.

TAX CERTIFICATE

Based upon the Agency's recommendation, Gatlynn Farm's application, and the Board's technical review, the Board finds and certifies that Gatlynn Farm's livestock waste management facilities identified in this order are pollution control facilities under the Property Tax Code (35 ILCS 200/11-10 (2022)). The Board makes no finding regarding the assessed value of those facilities. Under Section 11-25 of the Property Tax Code, the effective date of this certificate is "the date of application for the certificate or the date of the construction of the facility, which ever is later." 35 ILCS 200/11-25 (2022); *see also* 35 Ill. Adm. Code 125.216(a). Section 125.216(d) of the Board's procedural rules states that the Clerk "will provide the applicant and the Agency with a copy of the Board's order setting forth *the Board's findings and certificate, if any.*" 35 Ill. Adm. Code 125.216(d) (quoting in italics 35 ILCS 200/11-30 (2022)). The Clerk therefore will provide Gatlynn Farm and the Agency with a copy of this order.

IT IS SO ORDERED.

Section 11-60 of the Property Tax Code provides that any applicant or holder aggrieved by the issuance, refusal to issue, denial, revocation, modification or restriction of a pollution control certificate or a low sulfur dioxide emission coal fueled device certificate may appeal the Board's finding and order to the Circuit Court under the Administrative Review Law (735 ILCS 5/3-101 *et seq.* (2022)). *See* 35 ILCS 200/11-60 (2022). Within 35 days after receiving this final Board order, a party to this Board proceeding may file a motion asking the Board to reconsider

¹ The Agency's recommendation is cited as "Rec. at _."

or modify the order. 35 Ill. Adm. Code 101.520. Filing a motion to reconsider this final Board order is not a prerequisite to appealing the order. 35 Ill. Adm. Code 101.902.
