HEARING OFFICER ORDER

On June 26, 2025, all parties participated in a telephonic status conference. The parties reported that a Zoom conference call with the Chicago Center for Conflict Resolution (Center) is scheduled for July 9, 2025. It is noted that at respondent's suggestion, complainant voluntarily agreed to try this avenue while her matter with the Board continues. Complainant reports that there have been no noise issues with Mr. Egan's dog for approximately 9 weeks. Complainant is concerned, however, that the dog is being kept inside- "which is not good for the dog"- until a resolution by the Center or the Board or both.

Without objection from complainant, Respondent was given until July 24, 2025, to respond to complainant's amended motion for summary judgement filed June 6, 2025.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 17, 2025, at 10:00 a.m. The telephonic status conference must be initiated by the complainant by calling the number below, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
