ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a joint status report and request for extension of stay filed June 19, 1996 by Abbott Laboratories and the Illinois Environmental Protection Agency. The parties state that the present matter is subject to a stay pending approval of the United States Environmental Protection Agency (USEPA) of rulemaking R93-14, an amendment to 35 Ill. Adm. Code 218 Subpart DD, and a revision to Illinois' State Implementation Plan. The parties state that USEPA received adverse comments regarding R93-14 and has postponed publishing this rulemaking as a direct final rule to consider sending another notice to the Federal Register regarding these comments. Accordingly, the parties request that the stay in this matter be extended.

The motion for stay is granted until October 17, 1996. The parties are directed to file status reports, either jointly or separately, no later than October 10, 1996.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the \_\_\_\_\_ day of \_\_\_\_\_, 1996, by a vote of \_\_\_\_\_.
