**Subject:** External: Issue 37: replacement pages needed

**Caution: Do not click links, open attachments, or reply to unknown or unexpected senders**

Good morning,

In Issue 37, replacement pages are needed for 35-724 (PCB). In the Code Pages:  
1. Subchapter c is missing from the header of each page.  
2. The title of Subchapter c "HAZARDOUS WASTE OPERATING REQUIREMENTS" has a carriage in the middle of the word "Waste".

Thanks  
Melissa
