**CORRECTED HEARING OFFICER ORDER**

A hearing officer order was issued yesterday that incorrectly listed the year of the extended deadline. It is set for January 30, 2026. The order is repeated below with the corrected date.

On November 4, 2025, the Illinois Environmental Protection Agency (IEPA) filed a motion for extension of time to respond to the Board's October 30, 2025 order. IEPA asks to extend the response deadline to January 30, 2026. No responses were filed to IEPA's motion. IEPA's motion is granted and the deadline is extended to January 30, 2026.

IT IS SO ORDERED.
