ORDER OF THE BOARD (by G.T. Girard):

On May 22, 1996, Clorox Company (Clorox) filed a waiver of the Board’s decision deadline in this matter and a motion for an extension of time for the Agency to file its response to Clorox’s appeal. In addition, Clorox requests that the Board grant an “indefinite stay” and protect the information at issue as confidential until a decision is reached.

The Board will accept the waiver of the decision deadline as an open waiver of the Board’s decision deadline. The Agency filed a response on May 30, 1996, therefore, the motion for extension of time is moot. The Board will not grant an indefinite stay. However, the Board will stay this proceeding until June 27, 1996, at which time Clorox shall report to the Board the status of this matter. While this matter is pending the Board will hold the information at issue as confidential.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the \_\_\_\_ day of \_\_\_\_\_, 1996, by a vote of \_\_\_\_\_.
