ORDER OF THE BOARD (by G.T. Girard):

On May 9, 1996 the Board received a petition for review of a determination by the Illinois Environmental Protection Agency denying trade secret status for certain information. Pursuant to the Board's procedural rules at 35 Ill. Adm. Code 120.225, the Board is required to make a determination regarding the materials within 10 working days unless the Board extends that time an additional 10 working days upon notice to the parties. Thus, the Board must either extend the time for a determination or make such a determination by May 23, 1996.

The Board believes that a response from the Agency will be helpful in making the determination whether or not to accord trade secret status to the information. Therefore, the Board will extend the time to make a determination by an additional 10 working days. The determination will be due on June 7, 1996. Given the limited time in which the Board must make its decision, the Board asks that the Agency to file a response on or before May 28, 1996.

IT IS SO ORDERED.

Board Member J. Theodore Meyer voted "present".

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the _____ day of _____, 1996, by a vote of _____.
