**HEARING OFFICER ORDER**

On April 16, 2026, all parties participated in a telephonic status conference with the hearing officer. The parties await the Board’s decision on complainant’s interlocutory appeal. Complainant stated that her filing on March 2, 2026, raised her concerns about a rodent problem due to the tarp being attached to the fence that borders her yard. I suggested that she may want to call the Village regarding the rodent problem. She stated that the Village will not do anything because the Village employees are friends with the respondent.

The parties or their legal representatives are directed to participate in an agreed upon telephonic status conference with the hearing officer on June 25, 2026, at 11:00 a.m. The telephonic status conference must be initiated by the complainant by calling the number below, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter, outstanding motions, deposition dates, and their readiness for hearing.

IT IS SO ORDERED.
