ORDER OF THE BOARD (by M.D. Mankowski):

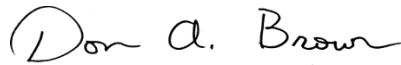

On December 18, 2025, at the parties' request, the Board extended until March 17, 2026, the time period for Singh Inc. of Illinois (Singh Inc.) to appeal a November 5, 2025, determination of the Illinois Environmental Protection Agency (IEPA). *See* 415 ILCS 5/40(a)(1) (2024); 35 Ill. Adm. Code 105.406. The determination concerns Singh Inc.'s underground storage tank site located at 43067 North Highway 41 in Russell, Lake County.

On March 12, 2026, the Board received from Konicek Environmental Consulting, LLC, a letter signed by Gregory A. Konicek, P.G., asking the Board to review the Agency determination. On March 19, 2026, the Board accepted the letter as a timely petition for review but directed Singh Inc. to file an amended petition by April 20, 2026, to cure deficiencies identified in its order.

Additionally, on March 18, 2026, IEPA filed a motion to dismiss the petition because it was not filed by an attorney – one of the procedural deficiencies the Board noted in its March 19 order. Because Singh Inc. failed to timely file an amended petition, the Board dismisses this case and closes the docket. The Board further denies IEPA's motion as moot.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on April 16, 2026, by a vote of 4-0.

Illinois Pollution Control Board
