Subject: [External] Illinois Pollution Control Board opposing Case #: AS 2026-001
Date: Friday, June 26, 2026 9:32:10 AM

Dear Mr. Brown,

As a mother of a young baby just starting our family in Lemont, I am asking you to help oppose the request by citgo regarding Case #: AS 2026-001. Our kids deserve healthy air. All residents deserve healthy air.

If Lemont continues to have additional pollutants, our family will have to relocate as that is a bare minimum standard for us.

Please help us keep Lemont an ideal place to live.

Best,

Sam
