Date: Friday, June 26, 2026 9:46:57 AM

Good morning,

I would like to formally voice my opposition of case number AS 2026-001. As a resident of Lemont, Illinois, this is very important to me. I have three young children that will all be affected by this. Please don't let Citgo pollute our air any more than they already have.

A concerned mom and resident,

Casey Galatis
