HEARING OFFICER ORDER

On July 30, 2026, the attorneys for the parties, including a representative of petitioner ExxonMobil Oil Corporation, participated in a telephonic status conference with the hearing officer. Petitioner renewed its concern of the protracted nature of this petition noting that the Illinois EPA's Recommendation was filed over 13 months ago on June 17, 2025.

The parties or their legal representatives are directed to participate in a telephonic status conference on August 20, 2026, at 1:30 p.m. The telephonic status conference must be initiated by the petitioner and provide a call-in number, but each party is nonetheless responsible for its own appearance.

IT IS SO ORDERED.
