ORDER OF THE BOARD (by A. Liva):

On April 2, 2026, at the parties' request, the Board extended until July 20, 2026, the time period for Midwest Generation, LLC (Midwest Generation) to appeal a March 9, 2026, determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2024); 35 Ill. Adm. Code 105.406. In the determination, the Agency denied Midwest Generation's initial operating permit application for the Lincoln Stone Quarry coal combustion residual surface impoundment. Because Midwest Generation failed to timely file an appeal, the Board dismisses this case and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on August 6, 2026, by a vote of 4-0.
