v.	)	
	)	(Special Exception Permit Appeal)
ILLINOIS ENVIRONMENTAL PROTECTION	)	
AGENCY,	)	
	)	
Respondent.	)	

PETITIONER’S MOTION FOR VOLUNTARY DISMISSAL

Petitioner, Aqua Illinois, Inc. (“Aqua”), by and through its undersigned attorneys, hereby moves to voluntarily dismiss its Petition for Review. In support of this Motion, Aqua states as follows:

1. On July 29, 2026, Aqua filed its Petition for Review of the Special Exception Permit (the “Permit”) issued by the Illinois Environmental Protection Agency (“IEPA” or the “Agency”) on March 26, 2026, for the Aqua Illinois – Sheridan Grove public water supply system, PWS ID 2010080 (the “Sheridan Grove PWS”).

2. Aqua now desires to dismiss its Petition for Review. On August 11, 2026, the Agency issued a Special Exception Permit to Aqua, the Sheridan Grove PWS, modifying the challenged Chlorine and Fluoride Conditions and effectively mooted the relief sought by Aqua through this Petition for Review.

3. Section 2-1009 of the Code of Civil Procedure permits claims to be dismissed voluntarily “at any time before trial or hearing begins, upon notice to each party who has appeared or each such party’s attorney, and upon payment of costs.” 735 ILCS 5/2 1009(a).

4. No trial or hearing has begun on Aqua’s Petition for Review, and Aqua is providing proper notice of this Motion to all parties of record.

5. The Agency has represented to Aqua that it does not oppose this Motion.

WHEREFORE, Petitioner Aqua Illinois, Inc. requests the Board enter an Order dismissing the Petition for Review and grant such other and further relief as may be just and proper.

Respectfully submitted,

AQUA ILLINOIS, INC.,

Dated: August 14, 2026
