Respondent.	)	

MOTION FOR VOLUNTARY DISMISSAL

Petitioner, INEOS JOLIET, LLC (“INEOS”), by and through its attorney, pursuant to 35 Ill. Adm. Code 101.500, hereby moves the Illinois Pollution Control Board (“Board”) to dismiss the Time-Limited Water Quality Standard (“TLWQS”) proceeding captioned above. In support of this Motion, Petitioner states as follows:

1. On July 21, 2015, Petitioner filed a Petition for Variance seeking a variance from the temperature standards in 35 Ill. Adm. Code 302.408(b), (c), (d), (e), (f), and (i). Petition for Variance (Temperature Standards), PCB 16-24 (July 21, 2015).
2. On July 26, 2018, Petitioner filed an Amended Petition for TLWQS for Temperature. Amended Petition for TLWQS for Temperature, PCB 16-24 (July 26, 2018).
3. On June 30, 2023, Petitioner filed a Petition in a separate Board proceeding seeking approval of an Alternative Thermal Effluent Limitation (“ATEL”). Petition to Approve ATEL for INEOS Joliet, LLC, PCB 23-135 (June 30, 2023).
4. On June 26, 2025, the Board granted the requested ATEL. Board Opinion and Order, PCB 23-135 (June 26, 2025).

5. Since then, for both this TLWQS proceeding and the ATEL proceeding in PCB 23-135, Petitioner has been awaiting Illinois EPA to reissue its National Pollutant Discharge Elimination System (“NPDES”) permit incorporating the granted ATEL.

6. On May 8, 2026, Illinois EPA reissued NPDES Permit No. IL0001643 to Petitioner, which incorporated the granted ATEL.

7. Given the issuance of the NPDES Permit reflecting the ATEL, Petitioner is no longer seeking the TLWQS relief sought in this proceeding.

8. Petitioner requests that the Board dismiss this TLWQS proceeding.

9. Counsel for Petitioner has conferred with counsel for Respondent, who has indicated that Respondent does not object to the granting of this Motion.

WHEREFORE, Petitioner, INEOS JOLIET, LLC, respectfully requests that the Board dismiss the proceeding.

Respectfully submitted,

INEOS JOLIET, LLC,
Petitioner,

Dated: September 2, 2026
