ORDER OF THE BOARD (by J.A. Van Wie):

On August 18, 2026, the Illinois Environmental Protection Agency (Agency or IEPA) timely filed a joint request to extend the 35-day period within which John R. Oltman Charitable Foundation, Oltman & Company (Oltman or Petitioner) may appeal a July 14, 2026 determination of the IEPA. *See* 415 ILCS 5/40(a)(1) (2024); 35 Ill. Adm. Code 101.300(b), 105.404(b), 105.406. The determination concerns Oltman's underground storage tank (UST) site located at I-55 and Route 138 in Macoupin County. In the determination, the Agency declined to approve Oltman's Stage 1 site investigation activities.

The Board extends the appeal period until November 24, 2026, as the parties request. *See* 415 ILCS 5/40(a)(1) (2024); 35 Ill. Adm. Code 105.406. If Oltman fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Daniel Pauley, Acting Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on September 3, 2026, by a vote of 5-0.

Daniel Pauley, Acting Clerk
Illinois Pollution Control Board
