### **RULEMAKINGS**

|              |                                                                                                                                                                                                                                                                                                                                                                                                                              |                       |
|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|
| <b>R27-1</b> | <u>Safe Drinking Water Act (SDWA) Update, USEPA Amendments (January 1, 2026 through June 30, 2026)</u> (Public Water Supply – Identical in Substance) – The Board dismissed this reserved “identical-in-substance” docket because the United States Environmental Protection Agency did not amend the National Primary Drinking Water Regulations (NPDWR) during the update period of January 1, 2026 through June 30, 2026. | 5-0<br>roll call vote |
|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|

|              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                       |
|--------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|
| <b>R27-2</b> | <u>Underground Injection Control (UIC) Update, USEPA Amendments (January 1, 2026 through June 30, 2026)</u> (Land – Identical in Substance) – The Board dismissed this reserved “identical-in-substance” docket because the United States Environmental Protection Agency did not amend its corresponding UIC regulations during the update period of January 1, 2026 through June 30, 2026.                                                                                          | 5-0<br>roll call vote |
| <b>R27-3</b> | <u>Resource Conservation and Recovery Act (RCRA) Subtitle D (Municipal Solid Waste Landfill) Update, USEPA Amendments (January 1, 2026 through June 30, 2026)</u> (Land – Identical in Substance) – The Board dismissed this reserved “identical-in-substance” docket because the United States Environmental Protection Agency did not amend its corresponding municipal solid waste landfill (MSWLF) regulations during the update period of January 1, 2026 through June 30, 2026. | 5-0<br>roll call vote |
| <b>R27-5</b> | <u>Underground Storage Tank (UST) Update, USEPA Amendments (January 1, 2026 through June 30, 2026)</u> (Land – Identical in Substance) – The Board dismissed this reserved “identical-in-substance” docket because the United States Environmental Protection Agency did not amend its corresponding UST regulations during the update period of January 1, 2026 through June 30, 2026.                                                                                               | 5-0<br>roll call vote |
| <b>R27-7</b> | <u>National Ambient Air Quality Standards (NAAQS) Update, USEPA Amendments (January 1, 2026 through June 30, 2026)</u> (Air – Identical in Substance) – The Board dismissed this reserved “identical-in-substance” docket because the United States Environmental Protection Agency did not amend the NAAQS during the update period of January 1, 2026 through June 30, 2026.                                                                                                        | 5-0<br>roll call vote |
| <b>R27-8</b> | <u>Definition of Volatile Organic Material (VOM) Update, USEPA Amendments (January 1, 2026 through June 30, 2026)</u> (Air – Identical-in-Substance) – The Board dismissed this reserved “identical-in-substance” docket because the United States Environmental Protection Agency did not amend its regulatory definition corresponding to VOM during the update period of January 1, 2026 through June 30, 2026.                                                                    | 5-0<br>roll call vote |

#### **ADJUSTED STANDARDS**

|                |                                                                                                                                                                 |                       |
|----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|
| <b>AS 27-1</b> | <u>Petition of C.J. Goodall Tire Co., Inc. for Adjusted Standards from 35 Ill. Adm. Code Part 848 (Land)</u> – The Board accepted C.J. Goodall Tire’s petition. | 5-0<br>roll call vote |

|                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                       |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|
| <b>PCB 24-29</b> | <u>BFI Waste Systems of North America, LLC v. Illinois Environmental Protection Agency</u> (Land, RCRA – Permit Appeal) – The Board granted IEPA’s motion to supplement the record and therefore accepted into the record the “Memorandum of Agreement Between the State of Illinois and the United States Environmental Protection Agency Region 5.”                                                                                                                                                                                    | 5-0<br>roll call vote |
| <b>PCB 25-18</b> | <u>Chevron Environmental Management Company v. Illinois Environmental Protection Agency</u> (Water, NPDES – Permit Appeal) – The Board granted Chevron Environmental Management’s motion to voluntarily dismiss this appeal and closed the docket.                                                                                                                                                                                                                                                                                       | 5-0<br>roll call vote |
| <b>PCB 26-28</b> | <u>People of the State of Illinois v. M &amp; A Precision Truck and Auto Repair, Inc.</u> (Water; Land, UIC – Enforcement) – In this enforcement action concerning M & A’s diesel truck maintenance and repair facility in McHenry County, the Board granted relief from the hearing requirement of Section 31(c)(1) of the Environmental Protection Act (415 ILCS 5/31(c)(1)(2024)), accepted a stipulation and proposed settlement, and ordered M & A to pay a \$15,000 civil penalty and to cease and desist from further violations. | 5-0<br>roll call vote |
| <b>PCB 26-54</b> | <u>Aqua Illinois, Inc. (Nordic Woods) v. Illinois Environmental Protection Agency</u> (Public Water Supply – Permit Appeal) – The Board granted Aqua Illinois’ motion to voluntarily dismiss this appeal and closed the docket.                                                                                                                                                                                                                                                                                                          | 5-0<br>roll call vote |
| <b>PCB 26-55</b> | <u>Aqua Illinois, Inc. (Sheridan Grove) v. Illinois Environmental Protection Agency</u> (Public Water Supply – Permit Appeal) – The Board granted Aqua Illinois’ motion to voluntarily dismiss this appeal and closed the docket.                                                                                                                                                                                                                                                                                                        | 5-0<br>roll call vote |
| <b>PCB 26-56</b> | <u>Aqua Illinois, Inc. (Woodlawn) v. Illinois Environmental Protection Agency</u> (Public Water Supply – Permit Appeal) – The Board granted Aqua Illinois’ motion to voluntarily dismiss this appeal and closed the docket.                                                                                                                                                                                                                                                                                                              | 5-0<br>roll call vote |

|                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                       |
|-----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|
| <b>PCB 27-5</b> | <u>Wabash Valley Service Company-Cisne (Property Identification Number 03-23-024-002) v. Illinois Environmental Protection Agency (Water – Tax Certification)</u> – The Board issued an order notifying Wabash Valley Service that if it wishes to contest IEPA’s recommendation of tax certification denial for specified facilities, Wabash Valley Service must file a petition to contest within 35 days after IEPA served it with the recommendation.                  | 5-0<br>roll call vote |
| <b>PCB 27-6</b> | <u>People of the State of Illinois v. Chuck’s Rentals, Inc. d/b/a Pleasant Valley Mobile Home Park (Water, NPDES – Enforcement)</u> – The Board accepted for hearing the People’s complaint concerning Chuck’s Rentals’ wastewater treatment plant in Jackson County.                                                                                                                                                                                                      | 5-0<br>roll call vote |
| <b>PCB 27-7</b> | <u>People of the State of Illinois v. A &amp; R Custom Chrome Plating, LLC (Air – Enforcement)</u> – The Board accepted for hearing the People’s complaint concerning A & R’s metal plating facility in Cook County.                                                                                                                                                                                                                                                       | 5-0<br>roll call vote |
| <b>PCB 27-8</b> | <u>People of the State of Illinois v. Equistar Chemicals, LP (Air, CAAPP – Enforcement)</u> – Upon receiving a complaint, stipulation, proposed settlement, and motion for relief from the hearing requirement in this enforcement action concerning Equistar’s plastics and organic chemical manufacturing facility in Grundy County, the Board accepted the complaint and directed the Clerk to provide the required newspaper notice of the settlement-related filings. | 5-0<br>roll call vote |
