

**AGENCY ANALYSIS OF ECONOMIC AND
BUDGETARY EFFECTS OF PROPOSED RULEMAKING**

Agency: Pollution Control Board

Part/Title: 35 Ill. Adm. Code 1422: Design and Operation of Facilities

Illinois Register Citation: May 22, 2026, 50 Ill. Reg. 7317

1. Anticipated effect on State expenditures and revenues.

(a) Current cost to the agency for this program/activity.

Unknown, as the Board does not break its costs down by case type or program.

(b) If this rulemaking will result in an increase or decrease in cost, specify the fiscal year in which this change will first occur and the dollar amount of the effect.

N/A.

(c) Indicate the funding source, including Fund and appropriation lines, for this program/activity.

N/A.

(d) If an increase or decrease in the costs of another State agency is anticipated, specify the fiscal year in which this change will first occur and the estimated dollar amount of the effect.

No such increase or decrease expected.

(e) Will this rulemaking have any effect on State revenues or expenditures not already indicated above? Specify effects and amounts.

No such effect expected.

2. Economic effect on persons affected by the rulemaking.

(a) Indicate the economic effect and specify the persons affected:

No additional costs expected for the potentially affected sources.

(b) If an economic effect is predicted, please briefly describe how the effect will occur.

The rulemaking is expected to provide potentially affected sources with additional flexibility for efficacy testing of low pressure systems rather than increase costs.

- (c) Will the rulemaking have an indirect effect that may result in increased administrative costs? Will there be any change in requirements such as filing, documentation, reporting or completion of forms? Compare to current requirements.

No increased administrative costs are anticipated.
