ORDER OF THE BOARD (by S.T. Lawton, Jr.):

On April 23, 2001, the complainant in this matter filed a motion to correct the misnomer in naming the respondent to be Benton & Associates Engineering, Inc. instead of Benton & Associates, Inc. Counsel for the complainant states that it discussed this motion with the respondent, Benton & Associates, Inc., whom allegedly did not object to the motion. The Board has not received any response by this respondent to complainant's motion. The Board grants the complainant's motion to correct the misnomer. This order correctly reflects the amended caption.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 3rd day of May 2001 by a vote of 7-0.
