On June 19, 2001, complainant filed a stipulation and proposal for settlement, accompanied by a motion requesting relief from the hearing requirement pursuant to Section 31(c)(2) of the Environmental Protection Act (Act) (415 ILCS 5/31(c)(2) (2000)). The Board directs the Clerk of the Board to cause publication of the required newspaper notice for the stipulation and proposal for settlement request for relief from hearing concerning the complaint filed by the Illinois Attorney General on behalf of the People of the State of Illinois.

Unless the Board determines that a hearing is needed, the board is required to cause notice of the stipulation and proposal for settlement and request for relief. Any person may file a written demand for hearing within 21 days after receiving the notice. If a hearing is requested, the Board will accordingly deny the parties' request for relief and schedule a hearing.
