ORDER OF THE BOARD (by J.D. Dumelle):

In a letter dated August 18, 1980, St. Clair County Housing Authority (SCCHA) requests a modification to the Board's Order in PCB 80-83 issued August 7, 1980. On September 2, 1980, the Illinois Environmental Protection Agency filed a response to that motion and a Motion for leave to file. That motion is hereby granted, and the Board has considered the response. The Board finds that there is no reason to modify that Order and will treat the letter as a Motion for Clarification, which is hereby granted.

In that Order, the Board granted the variance requested subject to several conditions involving petitioner SCCHA and the Metro East Sanitary District (Metro). The conditions imposed upon Metro were included, as stated in the opinion, to "better inform the Board as to the present status of improvements to the Cahokia Trunk Sewer and as to when repairs will be completed." The grant of the variance to SCCHA is not intended to be contingent upon the conditions imposed on Metro.

IT SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 4th day of September, 1980 by a vote of 5-0.

 Christan L. Moffett, Clerk
 Illinois Pollution Control Board
