SUPPLEMENTAL ORDER OF THE BOARD (by J. Anderson):

The Agency's October 22, 1980 Motion for Reconsideration is denied. The Board's Opinion makes it quite clear that the burden of compliance is upon the Respondent, who is "to cease and desist from further violations, and to develop a plan to bring each STP into compliance" (Opinion and Order of September 18, 1980 at 6). It is the Respondent's responsibility to contact the Agency concerning his compliance plan. It lies within the Agency's administrative discretion to handle questions of "engineering consulting" versus continuing to make its "personnel routinely...available to explain regulatory requirements." As no additional duty has been imposed on the Agency, no relief from the Board's Order is necessary.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Supplemental Order was adopted on the 30th day of October, 1980 by a vote of 5-0.
