ORDER OF THE BOARD (by J.D. Dumelle):

On November 5, 1980, the Board received a letter from the Village of Burlington requesting a variance from Rule 304(B)(4) of Chapter 6: Public Water Supplies. The Board construes the letter as a Petition for Variance and finds that most of the information required by Procedural Rule 401(a) and (b) is lacking. On November 13, 1980, the Illinois Environmental Protection Agency filed a Motion to dismiss based upon these defects. That motion is hereby denied.

However, unless these defects are cured by an amended petition within 45 days of the date of this Order, the Petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20th day of November, 1980 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
