Re: R01-13 (Rulemaking Water) Revisions to Antidegradation Rules: 35 Ill. Adm. Code 302.105, 303.205, 303.206 and 106.990-106.995

Dear Marie:

I am enclosing copies of the materials referenced in my pre-filed testimony which I presented at the November 17, 2000 hearing in the above-referenced matter. In some cases in which the document I referenced is a publication of which I only have one copy and which is voluminous (more than 100 pages), I have enclosed only a copy of the document cover and the pages which contain the information I referenced.

Here is a list of the documents referenced in my testimony and of the materials I am supplying you:

Reference

Materials supplied

page 2 of testimony, paragraph 1:

IDNR, The Fox River Basin: An Inventory of the Region's Resources

whole document

IDNR Fox River Basin Survey 1996 summary sheet

whole document

page 2 of testimony, paragraph 2:

IL EPA, Clean Water Act Section 303(d) List: IL Submittal for 1998

document cover and 2 pages listing Fox River (The document was originally published without any streams in the Fox River basin listed so the IEPA issued a revised map of the Fox River basin and Table 1 which lists the water bodies added to the report after the publication of the document. These are supplied as inserts into the original document.)

Reference

Materials supplied

page 2 of testimony, paragraph 2 continued:

IL EPA, Illinois Water Quality Report 2000

document cover and 8 pages of lists and maps pertaining to the Fox River watershed

IL State Water Survey, Considerations for Water Use Planning for the Fox River

document cover and 5 pages of Summary and Conclusions

page 3 of testimony, paragraph 6:

Fox River Ecosystem Partnership, Integrated Management Plan for the Fox River Watershed in Illinois

4 page plan overview

I hope the materials I have supplied satisfies the needs of the Board. If not, or if you need any further information, please contact me at 815-675-2594 or cskrukud@earthlink.net.

Sincerely,

Cynthia L. Skrukud
President
