Ms. Dorothy Gunn
Clerk of the Board
Illinois Pollution Control Board
100W. Randolph Street, Suite 11-500
Chicago, Illinois 60601

Dear Ms. Gunn:

*ROT 13
P.e. #23*

Please adopt strong antidegradation rules. Do not allow pressure from the state's big polluters to change the proposal that prohibits the lowering of water quality on streams meeting standards and allows the designation of discharge free "outstanding water" areas.

We must preserve more and pollute less.

Sincerely,

Linda Zamberletti
