Code 601.101 and 607.104(b)), and Section 653.119 of the Illinois Environmental Protection Agency's regulations (35 Ill. Adm. Code 653.119). The Board accepts this matter for hearing.

The Board directs that this matter proceed to hearing as expeditiously as practicable. The assigned hearing officer must set the matter for hearing in accordance with the requirements of the Act and the Board's procedural rules. It is the responsibility of the hearing officer to guide the parties toward prompt resolution or adjudication of this matter, through whatever status calls and hearing officer orders he determines are necessary and appropriate.
