ORDER OF THE BOARD (by I. Goodman):

Interlake's July 7, 1980 Motion to Amend "Stipulation and Proposal For Settlement" and Order of the Board is granted. Attached to Interlake's motion is a copy of the amended stipulation and proposal for settlement duly signed by representatives of the MSD, the Agency, and Interlake.

Read literally, the Board's procedural rules can require an additional hearing on the amended settlement agreement. The Board hereby waives any requirement of further hearing inasmuch as this enforcement case is now five years old, inasmuch as acceptance of the amended stipulation contemplates Interlake's compliance within five months hereof, and inasmuch as all parties to this action agree that the amended stipulation will dispose of the matter.

The final Opinion and Order of the Board will follow.

IT IS SO ORDERED.

Mrs. Anderson abstains.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 10th day of July, 1980 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
