PETITION OF INDIAN REFINING ) R94-29  
LIMITED PARTNERSHIP FOR A ) (Site-specific Rulemaking)  
SITE-SPECIFIC RULE )

Proposed rule.            Dismissal order.

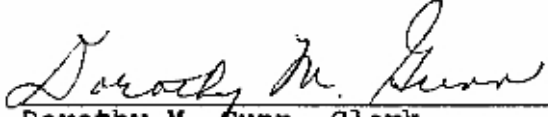

ORDER OF THE BOARD (by M. McFawn):

On October 6, 1994, Indian Refining Limited Partnership filed a petition for a site-specific rule to be applicable to its refinery located in Lawrence County, Illinois. On October 20, 1994, the Board issued an order directing petitioner to cure several deficiencies in its petition. In addition to the failure to file proper notices of filing and appearances, the deficiencies included failure to comply with the requirements of 35 Ill. Adm. Code 102.121(h), 35 Ill. Adm. Code 102.121(c), and 35 Ill. Adm. Code 102.121(g). In the October 20, 1994 order, the Board noted that failure to cure the identified deficiencies within 45 days would subject its petition to dismissal.

Despite the extended period of time that has elapsed since the October 20, 1994 order, petitioner has failed to cure the identified deficiencies, or to take any further action in this rulemaking docket. Therefore, this docket is dismissed. If at a future date petitioner wishes to seek a site-specific rule, a new petition satisfying the above criteria must be filed, in which case a new docket will be opened.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 20<sup>th</sup> day of December, 1995, by a vote of 7-0.
