ORDER OF THE BOARD (by G. T. Girard):

On May 31, 1995, complainant filed a request to reconsider the Board's May 4, 1995, opinion and order in this matter. On June 8, 1995, respondent filed a motion asking the Board to reconsider. On June 12, 1995, respondent filed a response to complainant's motion to reconsider. On June 23, 1995, complainant filed a response to respondents' motion to reconsider. The Board's rules at Section 101.246(d) state that the Board will consider factors including, but not limited to "error in the decision and facts in the record which are overlooked". (35 Ill. Adm. Code 101.246.) The Board has reviewed the motions to reconsider and finds that neither party has pointed to any error in the Board's original decision nor presented new facts or arguments. Therefore, both motions for reconsideration are denied.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 7th day of July, 1995, by a vote of

1-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
