ORDER OF THE BOARD (by C.A. Manning):

This matter is before the Board pursuant to status reports filed by both the complainants and the respondents pursuant to our order of May 18, 1995. Additionally on June 28, 1995, the complainants filed a motion to lift the stay in this case in order to proceed to hearing. On July 5, 1995, the respondents filed an objection requesting that the stay remain in effect until such time as the First Municipal District of the City of Chicago and the City of Chicago Mayor's License Commission have reached a resolution in matters pending in those jurisdictions. According to the parties, both of these cases are due for status in mid-July.

We deny the motion to lift the stay at this time and accept the status reports as filed by the parties. We direct that status reports be filed on or before September 1, 1995 informing the Board of the status of both the First Municipal District and the License Commission actions. We note that the motion to dismiss filed by Gotham on April 21, 1995 remains pending until such time as we lift the stay in this case.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 7th day of July, 1995, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
