ORDER OF THE BOARD (by G. T. Girard):

On September 13, 1995, the Illinois Environmental Protection Agency (Agency) filed a motion for expedited hearing and expedited Board decision. On September 21, 1995, General Business Forms, Inc. filed a response in opposition to the motion. As the Agency correctly points out the newly adopted amendments to Section 218.104, which require compliance in March of 1996, are stayed as to the petitioner during the pendency of this variance. However, the Board believes that the petitioner's response indicates that the granting of this motion may be premature. Therefore, the Board denies the Agency's motion for expedited hearing and decision at this time.

In addition, on September 13, 1995, the Agency filed a motion for extension of time to file the recommendation in this matter. The Board grants the Agency an extension of time until October 11, 1995, to file the recommendation.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 5th day of October, 1995, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
