

ILLINOIS POLLUTION CONTROL BOARD

February 15, 1996

IN THE MATTER OF:)
)
DEFINITION OF VOM UPDATE,) R96-6
USEPA REGULATIONS (July 1) (Identical-in-Substance)
through December 31, 1995)) (Air Rules)

Proposed rule. Dismissal order.

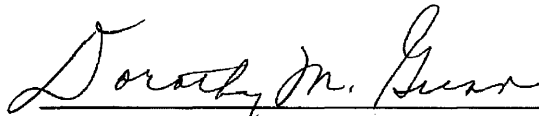

ORDER OF THE BOARD (by G.T. Girard):

Section 9.1(e) of the Environmental Protection Act (Act) requires the Board to adopt regulations which are "identical in substance" to exemptions from the definition of "volatile organic material" those compounds that USEPA has found to be exempted from regulation under state implementation plans for ozone due to negligible photochemical reactivity. USEPA has codified these exemptions as part of its definition at 40 CFR 51.100(s). Accordingly, the Board reserved this docket for USEPA amendments during the period from July 1 through December 31, 1995. However, USEPA did not amend its definition or exemptions during this period.

For the foregoing reason, the Board hereby dismisses this proceeding.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 15th day of February, 1996, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
