ORDER OF THE BOARD (by C.A. Manning):

On July 10, 1995, Stone Container Corporation (Stone Container) filed a notice of extension of the 35-day appeal period pursuant to Section 40 of the Act, relating to a May 30, 1995 Illinois Environmental Protection Agency (Agency) determination regarding Stone Container's supplemental permit application. The Agency on July 18, 1995 filed its agreement to the extension dated July 14, 1995.

By order of August 3, 1995, the Board reserved Docket PCB 96-4 for any amended petition<sup>1</sup> which might be filed by the Stone Container. The order stated "If the amended petition is not filed on or before October 4, 1995, this matter will be dismissed."

No amended petition has been filed. This matter is dismissed and the docket is closed as unnecessary.

IT IS SO ORDERED.

Section 41 of the Environmental Protection Act, (415 ILCS 5/41 (1994)), provides for appeal of final orders of the Board within 35 days. The Rules of the Supreme Court of Illinois establish filing requirements. (See also 35 Ill. Adm. Code 101.246, Motions for Reconsideration.)

---

<sup>1</sup>The Board accepted Stone Container's notice of extension as a petition for review due to the late filing of the Agency's agreement to the extension.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 19<sup>th</sup> day of October, 1995, by a vote of 7-0.
