DISSENTING OPINION (by J. Theodore Meyer):

I respectfully dissent from the majority's order to emphasize that this is a 1991 case, and we have not heard word one from the Agency since it filed its appearance in 1992. This lack of communication hinders the judicial process and deprives the petitioner from the right to a timely decision in this matter. I urge the Agency to take seriously our orders for status reports.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above concurring opinion was filed on the 14th day of December, 1995.
