OPINION AND ORDER OF THE BOARD (by N.J. Melas):

On May 30, 2000, the People of the State of Illinois (People) filed a three-count complaint against respondent CRO-MAT Company, Inc. (Cro-Mat). The complaint alleges Cro-Mat failed to comply with National Emissions Standards for chromium emissions by the regulatory deadline, constructed an emissions source without a permit, and operated an emissions source without a permit at its electroplating facility located at 3771 West Morse, Lincolnwood, Cook County, Illinois. These activities were in alleged violation of Sections 9(b) and 9.1(d)(1) of the Environmental Protection Act (Act) (415 ILCS 5/9(b), 9.1(d)(1) (1998)), the Board's air pollution regulations at 35 Ill. Adm. Code 201.142 and 201.143, and the hard chromium National Emissions Standards for Hazardous Air Pollutants at 40 C.F.R. § 63.342(a) and § 63.343(b)(1).

On January 4, 2001, the parties filed a stipulation and proposal for settlement, accompanied by a motion requesting relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (1998)). Pursuant to Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (1998)), the Board caused publication of the required newspaper notice of the stipulation and proposal for settlement and request for relief from the hearing requirement. The notice appeared in *The Chicago Sun-Times* on January 10, 2001. The Board did not receive any requests for hearing. Accordingly, the Board grants a waiver from the hearing requirement.

The stipulation and proposal for settlement sets forth the facts relating to the nature, operations, and circumstances surrounding the allegations in the complaint. Cro-Mat admits the allegations in the complaint and agrees to pay a civil penalty of \$3,000.

The Board accepts the stipulation and proposal for settlement filed by the parties in this matter. Cro-Mat must continue to comply with any federal, State, or local regulations including, but not limited to, the Act and the Board's regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this

matter.

ORDER

1. The Board hereby accepts the stipulation and settlement agreement executed by the People of the State of Illinois and Cro-Mat. The stipulation and settlement agreement is incorporated by reference as though fully set forth herein.
2. Cro-Mat must pay a civil penalty of \$3,000. Payment must be made within 30 days of the date of this order, that is, on or before March 17, 2001. Such payment must be made by certified check or money order payable to the Illinois Environmental Protection Agency, for deposit in the Environmental Protection Trust Fund. The case number, case name, and Cro-Mat's Federal Employer Identification number 36-3705189 must also be included on the certified check or money order and clearly indicate that payment is directed to the Environmental Protection Trust Fund.
3. The check or money order must be sent by first class mail to:

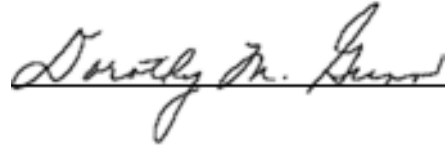

Illinois Environmental Protection Agency
Fiscal Services Division
1021 North Grand Avenue East
P.O. Box 19276
Springfield, Illinois 62794-9276
4. Any such penalty not paid within the time prescribed incurs interest at the rate set forth in subsection (a) of Section 1003 of the Illinois Income Tax Act, (35 ILCS 5/1003 (1998)), as now or hereafter amended, from the date payment is due until the date payment is received. Interest does not accrue during the pendency of an appeal during which payment of the penalty has been stayed.
5. Cro-Mat must cease and desist future alleged violations of any federal, State, or local statutes and regulations.

IT IS SO ORDERED.

Section 41 of the Environmental Protection Act (415 ILCS 5/41 (1998)) provides for the appeal of final Board orders to the Illinois Appellate Court within 35 days of the date of service of this order. Illinois Supreme Court Rule 335 establishes such filing requirements. See 172 Ill. 2d R. 335; see also 35 Ill. Adm. Code 101.520, Motions for Reconsideration.
