ORDER OF THE BOARD (by J.C. Marlin):

On December 6, 1991, the Board issued its Supplemental Opinion and Order remanding this matter to the Village of Romeoville for a definitive determination as to criterion 1 of Section 39.2(a). On January 9, 1992, the Village of Romeoville filed a copy of its Resolution no. 801-92, passed on January 8, 1992.

Consistent with the procedure adopted in Clean Quality Resources, Inc., PCB 90-216, April 11, 1991, this docket will remain closed. Because there may be new issues arising from the Village's Resolution, to preserve its rights Land and Lakes will need to file a new petition for review with the Board pursuant to Section 40.1 of the Act and 35 Ill. Adm. Code 101 within 35 days of the date of the Village's resolution. Because the remand was not the fault of Land and Lakes, the filing fee will be waived. The new petition should specify which portions of the record in this matter should be incorporated into any new docket, and the Board will waive the requirement of 35 Ill. Adm. Code 101.106(a) that four copies of the required material be filed with the Board. Again, this docket remains closed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 23<sup>rd</sup> day of January, 1992, by a vote of 5-0.
