ORDER OF THE BOARD (by M. McFawn):

This matter is before the Board on a March 8, 1996 motion to supplement the administrative record and supplement to the administrative record, filed by the Illinois Environmental Protection Agency (Agency). Petitioner BFI Modern Landfill #1 & #2 (BFI) has not filed a response to the motion. In its motion, the Agency states that the documents contained in the supplement to the record should have been included as part of the original record. The Agency asserts that accepting these records will result in no prejudice to BFI, and is necessary to provide a complete record. The motion to supplement the record is granted, and the supplemental documents are accepted as part of the administrative record in this matter.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 21<sup>st</sup> day of March, 1996, by a vote of 7-0.
