ORDER OF THE BOARD (by G. T. Girard):

On July 24, 1995 the Illinois Environmental Protection Agency (Agency) filed a Motion for Extension of Time in Which to File Agency Record with regards to PCB 95-125. On July 31, 1995 West Suburban Recycling and Energy Center, L.P. (West Suburban) filed a Response to Motion for Extension of Time.

West Suburban filed a Petition for Review of Denial of Air Quality Construction Permit with the Board on July 3, 1995. The Agency received the petition on July 6, 1995. Pursuant to Board procedural rule 105.102(a)(4), the Agency was required to file the entire Agency record of the permit application with the Board within 14 days of notice of the petition. (35 Ill. Adm. Code 105.102(a)(4).) The Agency record was therefore due on July 20, 1995. In the instant motion the Agency requests an extension to file the record until October 8, 1995 and claims that the petitioner has agreed to the extension.

West Suburban's response motion states that it did not and does not agree to an Agency extension until October 8, 1995 to file the record. However, West Suburban agrees to an Agency extension until September 15, 1995 and states that the Agency has agreed.

In consideration of the October 11, 1995 hearing scheduled in this matter, the Board hereby grants the Agency until September 15, 1995 to file the Agency record of the permit application in PCB 95-125.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 3rd day of August, 1995, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
