ORDER OF THE BOARD (by E. Dunham):

On March 25, 1995, Sherex Chemical Co. (Sherex) filed a status report pursuant to a Board order. Sherex also filed a waiver of the decision deadline through and including August 21, 1996. The Illinois Environmental Protection Agency (Agency) filed a status report on April 1, 1996.

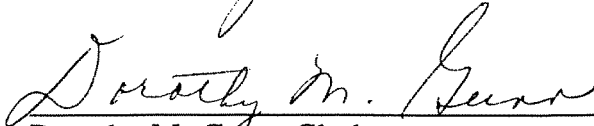

This permit appeal was filed on October 24, 1991. In a June 16, 1994 letter to the Agency, Sherex withdrew its RCRA Part B application. Sherex indicates that the Agency has requested additional information to support the withdrawal and that the parties continue to exchange data. Sherex indicates that it will withdraw its appeal upon successful withdrawal of the RCRA Part B application.

The Agency reports that it is awaiting submittal of soil sampling which must be completed by July 1, 1996, with a report on the sampling due by September 1, 1996. The Agency notes that Sherex may be required to file an additional waiver of the decision deadline depending on when the sampling is completed and the report submitted.

Absent an additional waiver, the Board must decide this matter based on the record at its August 15, 1996 meeting. The Board orders the parties to file status reports or a joint status report with the Board on or before July 12, 1996.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 4th day of April, 1996, by a vote of 7-0.

 Dorothy M. Gunn, Clerk
 Illinois Pollution Control Board
