VILLAGE OF CORDOVA))

Memorandum Order:

This complaint charges the emission of odors from the Village's sewage lagoon. We have not tried the same case before, so the complaint is not duplicitous; and if the charge is proved there is a violation of the Act, so it is not frivolous. Although the complaint does not contain all the information required by this Board's Procedural Rule 304, we think it best to authorize a hearing on the basis of the present submission, grant leave to amend the complaint to conform to the Rule, and set a hearing date upon receipt of the amended complaint. It is so ordered.

I, Regina E. Ryan, Clerk of the Pollution Control Board, certify that the Board adopted the above Memorandum Order this 12 day of May, 1971.
