ORDER OF THE BOARD (by R.C. Flemal):

On December 5, 1994 petitioner filed a status report pursuant to Board order of October 20, 1994. Petitioner states that it's counsel has recently contacted the Illinois Environmental Protection Agency (Agency) to inquire as to the status of the Agency's review of information submitted in support of petitioner's "Request For A Site Specific Determination of Clean Closure" for the Union, Illinois Facility. The status of that review is currently unknown. However, upon completion of the Agency's review, petitioner anticipates scheduling another meeting to discuss any remaining issues with the Agency.

The Board accepts the petitioner's status report and directs the filing of a new status report on or before March 1, 1995 to be filed with the Board and hearing officer.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 14th day of December, 1994, by a vote of 6-0.
