ORDER OF THE BOARD (by M. McFawn):

On January 4, 1993, Roland W. Burris, Attorney General of the State of Illinois, on behalf of the People of the State of Illinois and the Illinois Environmental Protection Agency filed a four-count complaint against Archer Daniels Midland with the Board. The complaint alleges violation of Sections 9(a) and (b) of the Illinois Environmental Protection Act (415 ILCS 5/9(a) and 5/9(b)); 35 Ill. Adm. Code Sections 201.141, 201.142 and 212.123.

Pursuant to our order of August 11, 1994, the Attorney General filed a status report on October 11, 1994. The parties have been negotiating the settlement of this matter and at this juncture, the remaining issue involves the amount of the State's penalty demand. The State anticipates final, internal approval within the next few weeks. The parties request that the Board maintain the present status of the matter, and not set this case for hearing.

Accordingly, the Board hereby accepts the parties' October 11, 1994 joint status report, and the parties are directed to file an additional joint status report with the Board on or before January 6, 1995. The parties are free to file a stipulated settlement agreement in lieu of a status report if one is negotiated on or before that date.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 20th day of October, 1994, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
